

BAMBERG
GRADUATE SCHOOL
OF SOCIAL SCIENCES

BAGSS SEMESTER COLLOQUIUM

Wednesday, 20 March 2024; 6.00 p.m.

Causal Inference without Causal Parameters

Professor Dr Ulrich Kohler
University of Potsdam

Professor Dr Ulrich Kohler is a methodically thinking sociologist interested in the research of causes and consequences of social inequality. He studied Sociology, History and Public Law at the universities of Konstanz and Mannheim. After finishing his PhD at the University of Mannheim he worked as research assistant at the Berlin Social Science Center (WZB) at the department “Inequality and social Integration” and published fundamental research in data analysis with STATA. Since 2012 he is Professor for Methods of Empirical Social Sciences at the University of Potsdam.
