English Courses offered by our Language Center (Sprachenzentrum)

The Language Center has developed a range of English courses taught by various native speakers.

In order to take part in English courses, students need to complete a Placement Test (details below).

ONLINE Placement Test for English HaF courses

Only for students who are NOT students of Anglistik at the University of Bamberg. To attend English classes, students must take an **obligatory** placement test before the beginning of the semester. This helps us to place students in the correct level. The placement test evaluates grammar, reading, listening and vocabulary, and must be completed before FlexNow registration closes. Students who do not take the test may not be able to attend English courses this semester.

Description of the Placement Test

There are a total of 92 questions in the test. The questions slowly become harder in the later parts of the test. The time limit for the placement test is 60 minutes but students can submit the test earlier if they have finished.

Test Results

No certificate will be issued for the completion of a placement test, nor can the test be “passed” or “failed”; it is purely for diagnostic purposes.

You will receive an email after the test with a score out of 100 and the CEFR level (B1, B2 etc.) you should select for your course(s). If you have taken a course in general English, you do not have to take a placement test again.

If you have taken the Anglistik Einstufungstest, you do not have to take this placement test. Results of the test are valid for four semesters.

The tests will be held on:

- 1) 20 April 2022, 10-12
- 2) 22 April 2022, 12-14
- 3) 26 April 2022, 16-18
- 4) 29 April 2022, 10-12
- 5) 4 May 2022, 16-18

If you have any questions about the HaF placement test, please contact [catherine.irvine\(at\)uni-bamberg.de](mailto:catherine.irvine@uni-bamberg.de) for more information.
